### *Preliminary Amendment Acknowledgement*

Receipt is acknowledged of Preliminary Amendment filed on 8-23-2004.

### ***Allowable Subject Matter***

Claims 10-21, 28-31, 35, 39-55 are allowed.

The following is an examiner's statement of reasons for allowance:

Independent claims 10, 13, 18, 28, 35, and 39, more particularly define a method or a system or and apparatus for recording of an event shortly after the event has ended (at the time of a live event) which includes means for capturing a portion of an audio (or video) signal from the event, means for editing the portion and means for recording the edited portion onto a plurality of recording media to be provided to attendees of the event shortly after the event has ended.

These particulars, combined with the remaining claim elements, are not suggested in the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
